

2023 NACE Student Survey for Associate's Students

Thank you for participating in the 2023 NACE Student Survey

Thank you for participating in the 2023 NACE Student Survey for Associate's students! The survey should take about 10-15 minutes to complete depending which questions you are shown, based on the answers you provide. All questions are optional.

The survey will be open until May 15, 2023.

Please remember to enter a permanent email address if you would like to enter the 4 drawings for \$500. We've drawn winners in the past who gave defunct email addresses, and we've had to award the prize to someone else. So don't forget to enter a good email address and good luck in the cash drawings!

****All currently enrolled students, aged 18 and over, are eligible to enter the drawing.****

Career Readiness

Career Readiness

The following questions ask you about important skills and abilities in the workplace. Please use these definitions for the terms:

Career & Self-development

Proactively develop oneself and one's career through continual personal and professional learning, awareness of one's strengths and weaknesses, navigation of career opportunities, and networking to build relationships within and without one's organization.

Communication

Clearly and effectively exchange information, ideas, facts, and perspectives with persons inside and outside of an organization.

Critical Thinking

Identify and respond to needs based upon an understanding of situational context and logical analysis of relevant information.

Equity & Inclusion

Demonstrate the awareness, attitude, knowledge, and skills required to equitably engage and include people from different local and global cultures. Engage in anti-racist practices that actively challenge the systems, structures, and policies of racism.

Leadership

Recognize and capitalize on personal and team strengths to achieve organizational goals.

Professionalism

Knowing work environments differ greatly, understand and demonstrate effective work habits, and act in the interest of the larger community and workplace.

Teamwork

Build and maintain collaborative relationships to work effectively toward common goals, while appreciating diverse viewpoints and shared responsibilities.

Technology

Understand and leverage technologies ethically to enhance efficiencies, complete tasks, and accomplish goals.
